

# North Zulch ISD Technology Standards

## Hardware - Desktops/Notebooks

Processor: Intel Core i5 or greater  
RAM: 4GB minimum for Teachers; 4Gb minimum for Students  
HDD: 320GB minimum  
CD/DVD: DVD-RW  
NIC: 10/100/1000  
Monitor/Screen size: 15 inch minimum for Teachers ; 15 minimum for Students  
OS: Windows 7 Pro  
Chromebooks: Odyssey Lab >13 inch screens w/4Gb RAM; Chrome carts > 11 inch screens w/4GB RAM

## Hardware - Printers

Laser Printers - A laser printer must be compatible with district computers and network. It should print at least 25 pages per minute (PPM) and use plain paper. The toner cartridges must be readily available from district approved sources and the cartridges should be recydable/refillable. The printer also should have Ethernet network capability or Cloud printing capability.

Inkjet Printers- Inkjet printers are not supported by NZISD Technology. Classrooms that have elected to use these printers do so at their own volition. Teachers must provide their own replacement cartridges at their own expense and not through district funds.
